

TOM COLLINS
INTERIM DIRECTOR

TOWN OF NATICK MASSACHUSETTS

IRRIGATION METER INFORMATION

Installation only May 1st through October 31st

All homeowners/plumbers interested in the installation of an Irrigation Meter should follow this procedure:

- 1. The homeowner needs to hire a licensed plumber.**
- 2. The plumber shall obtain a plumbing permit from Community Development at the Town Hall, 13 East Central Street, 2nd floor, Natick, which should be brought to the Department of Public Works, 75 West Street.**

The cost will be \$30.00 for Residential and \$60.00 for Commercial

- 3. Both the new meter and the plumbing permit shall be brought to the Department of Public Works, 75 West Street. An appointment to have the water shut off will be made between the DPW, plumber and resident at this time. The meter shall remain at the DPW for calibration and the Water Dept staff will bring the meter to the appointment.**
- 4. A fee of \$25.00 shall be paid to the Town of Natick, Department of Public Works to cover the cost of calibration, water shut-off and turn on.**
- 5. Only Neptune Meters reading in cubic feet will be accepted by the Department of public Works.**
- 6. It should be noted that the plumber is expected to have all the additional parts necessary to install the meter. (ie: valves, nipples, etc.)**
- 7. Additional questions can be answered by calling the Water Department at 508-647-6557.**
